Professional summary

Skilled software Developer and IT support Engineer with hands-on experience at Cloudskale. Proficient in JavaScript, java, HTML, python, C++, and SQL, alongside SpringBoot and ReactJS frameworks. Troubleshooting expertise gained during an internship at Horizon Group reflects my commitment to quality and passion for technology. A collaborative team player who crafts user friendly web applications. Ready learn, provide technical support and contribute effectively to your team's success.

Experience

December 2022 – May 2023
Front-End Developer • Cloudskale

August 2022 – December 2022
IT support Engineer • Horizon Group

Responsibilities:

Front End Developer:

- As Front-End developer, I collaborated on web apps development using HTML, CSS, JavaScript, and ReactJS
- My role involved creating user friendly interfaces, managing code.
- I designed interfaces, employed ReactJS for dynamic elements, engaged code reviews, and adopted modern techniques.
- Our web apps achieved higher user satisfaction.

IT Support Engineer:

- Communicated with customers to gather information and resolve issues in a timely and efficient manner.
- Provided hardware/software support, maintained IT infrastructure, and resolved user issues efficiently.
- Improved system efficiency through collaboration and gained strong IT insights.

CCNA (Introduction To network),
Cisco IT Essentials,
Cisco Cyber Security,
Linux System Administration
